

Lincoln Electric India is pleased to announce a two day seminar on "High Deposition GMAW" for Industries with Thick Materials Welding.

24TH -25TH SEP 2019

AT LINCOLN ELECTRIC INDIA , CHENNAI

Move into the new generation of
High Deposition GMAW

INCREASE SPEED & PRODUCTIVITY

**LINCOLN
ELECTRIC**

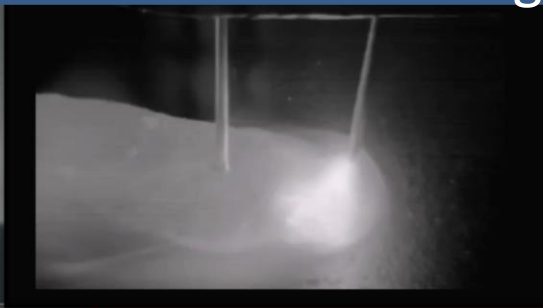

Welding Seminar for HEAVY DEPOSITION GMAW

Hosted by The Lincoln Electric India

Seminar Description:

- Productivity Enhancement and Cost Reduction.
- Data Management in Arc Welding - IoT
 - a) Data Acquisition
 - b) Weld Quality Analysis
- Virtual Reality in welding
 - Safety , Training & Analysis
- High Deposition Welding Processes.
- Thick Materials Welding Requirements.
- Live Welding Demonstration
- Process Recommendation for your application- based on Cost , Productivity & Quality.

Choose the Suitable Welding Process !!!

Seminar Date & Time:

- 24th -25th Sep 2019 ,
-- 9.30 AM to 5.00PM

Seminar Location:

- Lincoln Electric Company (I) Pvt Ltd P40, Domestic Tariff Area, Central Avenue, Mahindra World City, Chengalpattu Kanchipuram-603 002
Phone:+91444742830
